The 2nd DENTA Obstructive Sleep Apnea Symposium 2026

The Danish ENT Academy is delighted to host the 2nd Danish Obstructive Sleep Apnea (OSA) Symposium 2026. The Symposium is scheduled to be held in Aarhus on the 27th and 28th of August 2026. The topics will include surgical treatment options for those patients who have failed, or do not wish to use CPAP treatment. We welcome you all, both presenters and delegates to this exciting scientific program, translating new basic knowledge to clinical practice.

For this symposium we wanted to include more colleagues from Jutland, which is why we are holding the symposium at the ARoS museum. This is an international art museum in the center of Aarhus, the second largest city in Denmark. It is truly an amazing site for DENTA to host this event, following the previous symposium at KÅ,ge, Denmark in 2023 which was a great success.

We have a great line up of speakers, both Danish and International. A poster section is included, and we encourage submissions to this research presentation platform.

We trust this will provide fruitful and productive discussion for all our sleep apnea colleagues, both doctors and nurses. The language of the Symposium is English.

Confirmed speakers

Prof. Claudio Vicini

Bologna, Italy

All plenary sessions will be streamed live and free for professionals in low-resource settings.

Research Poster Presentations

We welcome research poster submissions for the Symposium!

Abstract calls open 4 months prior to the event. Submissions can be sent to abstracts@entdenmark.com

Delegates whose posters are accepted for display will receive a **1,000 DKK refund of their registration fee** at the end of the symposium. From the displayed posters, two will be invited for a 15-minute oral presentation on the second day of the symposium. The winner of the best research poster will be **awarded either 2,000 DKK or a free ticket to the next DENTA event (value up to 4,000 DKK).**

Download the official poster guidelines:

<https://entdenmark.com/wp-content/uploads/2026/05/Poster-Guidelines.pdf>

Delegates will be notified within two weeks of submission as to whether their poster has been accepted or not.

We look forward to seeing your research showcased at the symposium!
