

Dear Delegate,

We look forward to reviewing your poster at the symposium. Posters should be submitted one month before the event.

Poster presentation guidelines

Poster layout

- Dimensions: A0: 118.9 cm (height) x 84.1 cm (width), portrait format
- Poster dimensions should not exceed 90×120 cm – width/height
- State the title and the authors at the top of your poster in easily readable bold letters
- Indicate the presenting author if different from the first author
- Disclose your potential conflicts of interest
- The text and the illustrations should be readable from a distance of 2 meters

Preparing a Poster

Format: follows that of an oral scientific presentation and includes Abstract, Introduction, Methods, Results, Conclusions; Recommendations.

A poster, like an oral presentation should not contain all information you have on the topic. If all text is kept to a minimum (1000 words), a person should fully read your poster in less than 10 minutes.

Use short sentences, simple words, and bullets to illustrate your points.

Text should be broken up by including graphics or photos.

Self-explanatory graphics should dominate the poster. The success of a poster directly relates to the clarity of your illustrations and tables.

Use a non-serif font (e.g., Arial) for the poster.

The presence of authors at their posters

The presence of authors at their posters will be required only during the lunch breaks.

All accepted posters will be displayed for the 2 days of the symposium. From the displayed posters, two will be invited for a 15-minute oral presentation on the second day of the symposium. The winner of the best research poster will be awarded either 2,000 DKK or a free ticket to the next DENTA event (value up to 4000 DKK).

Poster Service

We are happy to provide you a poster-print-service. Fee: DKK 1,000. Please send the poster in a relevant format (PDF or PPTX) to us no later than 30 days before the day of the event. Send the poster to abstracts@entdenmark.com
